 Heero laid in his bed when (BEEP, BEEP) his laptop went off. He sat up very quickly and rushed over to his laptop. The other gundam pilot come in when they heard the beeping of Heero's laptop. "It a mission from Dr.J" Heero said "so what does it say" Duo asked "there's also a message for Trowa" Heero said. Heero read the mission from Dr.J out loud "Rockefeller has crated a new gundam stronger then Epyon itself and Dr.J and some doctor named Dr.Diana will send her trained pilot fighter and gundam to help us destroy this new gundam threat. It also says here to met him at the "Caiman Tele Von" night club" Heero said. Heero turned to his fellow pilots "how will we know its him" Trowa asked the Japanese pilot "we will if he knows the correct password to say," Heero Replayed simply "well what is the password Heero" Quatre asked wide eyes full of glee at the thought of a new pilot "the password is passion flower," Heero said a bit uncomfortably. "POSSION FLOWER WHAT THE HECK KIND OF PASSWORD IS THAT!" Dou shouted and looked rather disturbed by the password "Dou, Heero doesn't make the password he just reads them" Trowa said with pure clamminess in voice "ok the password is passion flower what time are we have to met him" Dou asked "were supposed to met him at 0'200 hours from now" Heero said. All the pilots looked at there witches and got wide eyed "we only have an hour to met him let hurry up and get ready. It an injustice to keep an allay waiting" Wufei said. They all went to there rooms to get ready.

>

>Hour later

>
As the pilots walked up to the club were the were they had to met the pilot Trowa remembered something "Heero wasn't there a massage for me on your laptop?" Trowa asked Heero looked at his comrade "yes there was but didn't read it that was your massage" Heero replied "I guess I'll have to read when we get back" Trowa said.

>
5 minuets later

>
The boys got sited at a table and waited. Then the lights on the stage went on and a man that looked in his late forties wearing a white tux come on stage "hello ladies a gentlemen it give me great pleasure to intrudes our little singing flower the new center of our heart. The beautiful Ms. Lily Sonia. Dragonheart" the man said and clapped as he left the stage. The red Satan curtains pulled back and a beautiful girl walked out on stage (disruption of Lily at top) she wore a long black dress that had a slit on both side so that when she walked her perfect legs showed her hair pull back into a bun and her bangs hung in front of her face but you could still see her pastel pink eyes. She looked around the interior room her gaze fell on the boys. Trowa felt his heart stop when this girl gaze at them. He couldn't take his eyes off this girl she was beautiful as a flower "Lily" Trowa whispered to himself even her name was beautiful to him.

The girl walked up to the microphone and took it out of its holder. She cleared her throat and started to sing.

>

>"When I think how life used to be
Always walking in the shadows

>Then look at what you've given me
I feel like dancing on my tiptoes

>I must say day I wake
And realize you're at my side"

>(Trowa never heard anyone sing his heart was pounding faster by the second)

>"I know I'm truly blessed
For every thing you give me

>Blessed for all the tenderness you show
I'll do my best

>With every that's breath in me
Blessed

>To make sure you never go"

>(The girl started walking down the stage and out to the audience with the Mic in her hand)

>"There are times that test your faith
'Til you think you might surrender

>And baby I'm not ashamed to say
That my hopes were growing slender

>You walked by in the nick of time
Looking like an answered prayer"

>
(She walked past all the tables and sat down on top of the boy's table. Trowa was about to pass out at this)

>
"I know I'm truly blessed

>For every thing you give me
Blessed when I hear you call my name

>I'll do my best
With every breath that's in me

>Blessed to make sure you feel the same"

>(She then moved over and sat on Trowa's lap. Trowa was literally about to die. She slipped a note into his sweaty hand)

>"Deep in side me
You filled me with your gentle touch"

>
(She then got up off Trowa's lap and walked back to the stage)

>
"I know I'm truly blessed

>For everything you give me
Blessed for all the tenderness you showed

>I'll do my best
With every breath that's in me

>Blessed
To make sure you never go away"

>

>She then walked in the back of the stage and the curtains closed. Trowa looked at the note she put into his hand and his eyes widened with shock. He handed the note to Heero
The note read: password passion flower.

> P.S. meet me back stage boys
The boys followed the message and went back stage there was the girl in regular clothes (look at profile to read what she normally wears). They were shocked "a woman piloting a gundam and I thought those scantiest were crazy before now there insane" Wufei said very upset "well no one said ya had to like it jerk face" the girl said in a tone that made Wufei very angry. Trowa just smiled slightly. "Hey welcome to the team little lady" Duo said with a wink in his eye "my name is Dou Maxwell the god of death" he counted he pointed to Heero."That's Heero the perfect soldier" next he pointed to Quatre "that's Quatre Rababa Winner the noble in the desert" then Duo pointed to Wufei "that's Wufei the lone Dragon but in your case jerk face" and last but not least he pointed to Trowa "the quiet one over here is Trowa the silencer" Duo finally finished. The girl smiled and told them who she was "my name is Lily Sonia. Dragonheart the passion flower of war" Lily said. Trowa just stood

there looking at her (why can't I take my eyes off you Lily?) He thought to himself

>
(*Why can't I stop looking at you Lily?*) Trowa thought. "Well are we gonna stand here all day looking at each other like dorks?" Lily asked; "we need to get going and destroy that gundam before it destroys us" she finished. Quatre smiled at her (*man she's really cool and funny and she's kind of cute*) Quatre thought, "go figure the woman wants to rush headfirst how normal of a woman" Wufei said "How normal a man being arrogant" Lily responded back at Wufei's comment making Wufei angry. (*Whoa Wu-mans angry and she not sacred of him I wonder if she like party hoping*) Duo thought. Heero shook his head "were getting no where by talking I think we head back to base and come up with a plan of attack" Heero said everyone nodded

>

>5 minuets later

>
 They're all at the secret the base which is by the pier over looking the ocean (a very beautiful sight might I add). They're waiting for a plan to come to their heads when (DIGN DONG) "I'll get it" Duo said and ran the front door. Duo came back into the room "hey guys guess what Hilde is here" Duo said happily as the German-girl came into the room "Hi guy" She cheerfully then noticed Lily "and girls" she add. They all nodded at Hilde "so what are guys doing?" Hilde asked, "were trying think of a battle plan to attack that new gundam" Heero said, "I say we plant explosive around the gundam and building and blow it up" Duo said for the hounded time that day "Duo do hearing problem blowing it up will just in danger the colonies" Lily said "but maybe we could just blow up the gundam and leave the base" Heero said.
>

>Three hour later
And 12 minuets after Lily got annoyed at Duo and beaten him up

>

>Lily left "ok see you boys at 0400 hour tonight at the base" Lily said right before she left. They all the boys were in their rooms or with there gundams.

>Trowa was tuning up Heavyarms but the whole time he couldn't stop thinking of Lily (*what's wrong with me why do I have this feeling around her every time she is close to me my hands get all sweaty and my head start spinning why is this blasted girl so special to me*). He could still hear her singing that song she sang. He didn't notice Heero enter the hanger with his laptop under his right arm "Trowa you still have that massage to read" Heero said in his usual perfect soldier voice. Trowa got down from Heavyarms and looked at Heero and nodded. Heero opened his laptop and handed it to Trowa. As Trowa read the message he got his eye widen

>THE MESSAGE:

>Trowa
When you where five years old Dr.X (I don't know the name of the guy who trained Trowa so I gave him a name Dr.X) arranged your marriage with a young girl the same age as you. She is a fallow pilot and was trained by Dr.Diana her name is..

>
"Lily Sonia. Dragonheart" Trowa said

>
MESSAGE COUNTINUS:

>
Trowa you will be forced to marry her no matter what it ancient tradition.

>
P.S. Don't tell Lily yet she doesn't know about this. Dr.Diana wishes to tell her in person when the time is right.

>
And for the first time in his life Trowa fainted.

>

>Somewhere else

>
Hilde and Duo where talking "So Duo what do ya think of that Lily girl" Hilde asked Duo poked his out of Deathscythe. Hilde tried not to laugh at him because Lily gave him two black eyes he looked like a raccoon "well she sure packs a wallop when she pounces and she really is cute but not my type if that's what ya mean Hilde" Duo said "what is your type Duo?" Hilde asked. Duo smirked at her and climbed down from his gundam and looked straight into Hilde's eyes "well um lets see my type someone who um laugh at my jokes has a personality and doesn't beat me up and will help out a friend like you" Duo said as he put his hand on her cheek and kissed her full on the lips. Hilde eyes widened and she wrapped her arms around his neck. Duo broke the kiss "so shall we shag now or shall we shag later" Duo said smiling. Hilde Shook her head angrily she raised her hand and.....

>

>Somewhere else, else where

>
"OWWWWWWWWW". Quatre heard a rather loud cry of pain "that sounded like Duo" Quatre said. Turned to Sandrock and continued working on his gundam. Heero walked in holding a still fainted Trowa. "Hey Quatre where the smelling salt Trowa passed out" Heero said "Trowa passed out is he ok" Quatre asked full of concern for his comrade and friend as he climbed out of Sandrock. Quatre looked at Trowa for a moment and went to the cabinet in the corner of the room and got out a small vile of smelling salt. "Here's the smelling salt Heero" Quatre said and walked over to him and Trowa. Quatre opened the smelling salt and put it under Trowa's nose. Trowa's noised twisted a little at the horrible smell under his nose and woke up "Hey Trowa what scared ya so much that ya had to pass out" Quatre asked full of innocents on face "Heero show him the message I got" Trowa said still a bit in shock. Heero opened his laptop and showed Quatre the message his eyes widen "congratulations Trowa!" Quatre said with a smile from ear to ear (is that possible?) "Quatre I can't

marry her" Trowa said "and why not Lily is a beautiful girl she smart and strong and kind of cute and fun to be around" Quatre said shocked at what Trowa said "because she's too perfect for me she needs more then I could ever give her" Trowa said "well Trowa ya have no choice it the law says if your guardians/guardian arranges your marriage you have to marry the girl not matter what" Heero said "I want to it just that what if she doesn't want to the law also says if the bride doesn't wish to marry she doesn't have to" Trowa said " I have a feeling she will" Quatre said.

>

>

>Again somewhere else (this is getting old isn't it)

>Wufei was meditating. When he heard Duo and Hilde arguing "Hilde that shag thing was a joke I didn't mean it I really love ya Hilde" Duo said pleading "Was the kiss a joke too huh?" Hilde asked "no" Duo said. Wufei just shook his head "I'm not going to ask" He said to no one. He saw Hilde walk by and open the door and Duo grabbed her abruptly by the wrist and pulled her close to him and kissed her. Wufei shook his head again and climb in his gundam Shonlong. He pulled out a small picture he kept hidden in a small compartment. It was a picture of Sally Po. He just gazed at it for a moment (the only woman I know that's not weak) He thought. He put the picture to his lips and kissed it and put it back where he hide it.

>Somewhere in an abandoned building. We see Lily walking in "well it's about time you got here Lily" A feminine voice said from behind Lily she turned around and saw an old lady in her late 60s she had brown hair with streaks of gray, soft brown eyes, and a white lab coat "Dr.Diana why are you here?" Lily said "well my dear I have great news for you" Dr. Diana said. Lily didn't want to hear any news from this lady but knew she had too "so what's the news Doc" Lily said "well it's hard for me too say this but as your guardian you've been like a doughtier to me and like all guardians of parents they wish to see there children get married. So here is the news your getting married," Dr. Diana said almost smiling. Lily was shocked and angry at the same time (I'll kill the man I'm supposed to marry before the wedding day) "ok whose the chump who's going to die before

his wedding day" Lily asked. Dr.Diana shook her head "Trowa Barton pilot of gundam Heavyarms" Dr. Diana said "WHAT" Lily was now angrier then before. Lily never for a moment considered that her fellow pilot would be the one she would marry "how could you do that I can't kill him" Lily said disappointed "that's why I picked him I knew you couldn't kill your comrade Lily" Dr.Diana said "it more then that Doc" Lily said "oh now is it dear" Dr.Diana said "I already fell in love with him" Lily said trying not to blush. Dr.Diana just smiled

>

"Sandrock in position" Quatre said

>
All the gundam powered up their weapons they took aim and were about to fire when...

>100,000 Leos attacked them "well, well the welcoming committee. I feel so special," Lily said sarcastically. A huge battle broke out Sinigram toke out 50 Leos with it deathscythe

>Sandrock 70

>Wing zero 200

>Heavyarms 300

>
5 hours later

>The 5 umm 6 gundams stood among the ruble of destroyed Leos. Then Heero turned his attention to the base were the gundam was held "target locked on prepare to fire" Heero said. All at once all the gundam fired and destroyed the base but the new gundam was still in tack all of a sudden it eye's lit up and the new gundam sprang to life "WHAT!! That mean someone's piloting that" Duo said.

>The new gundam looked around "attention gundam pilot's this is Tele Netic new pilot of gundam Mindbender

>Dou: whoa other lady pilot. Is this becoming a patter or something?
Heero calmly: We have to complete the mission no matter what let's attack it.
>
Heero pulled out Wing's saber and flew straight at the new Gundam named Mindbender
>
Tele: Your attempt is futile. You can't win 001
>
Tele pulled out her beam saber as well and charged at Wing Zero. They both met in the middle and start to duel.

>Lily: Because...I...I want...

>Trowa stepped closer to Lily and looked straight into her eye. He put one hand on the side of her face and leaned closer to her.

>Trowa thinking: Man she has beautiful eyes. Trowa you can't do this to your self-your letting your self feel emotions. Emotions for her why me
